## Nurturing Talents *for* Good

培育英才 | 为善致远

## WORDS FROM THE FOUNDER

Ever since Asia International School Limited (AISL) began its mission of providing quality education to the region through the AISL Harrow family of schools three decades ago, we have been amazed by the extraordinary talents of our pupils. We, therefore, established the AISL Foundation to be the stage for these young people to shine, while sharing their gifts with the wider community.

The AISL Foundation, with its mission of ***Nurturing Talents for Good***, will enable students through scholarships and awards, publicly acknowledging and acclaiming their potential and excellence, both academically and creatively.

This recognition is our way of saluting these exceptional students, while also reinforcing the values of an AISL education that is committed to leadership and service, in and out of the classroom.

### AISL Talent Awards

#### 亚洲国际学校才艺奖励计划

The AISL Talent Awards is a new Scheme from the academic year 2025-26, hosted by AISL Harrow International School Hong Kong (AISL Harrow Hong Kong), in collaboration with AISL Foundation. This initiative reflects our enduring belief that every pupil should be given the opportunity to flourish in the areas where their talents and passions lie. The Awards celebrate and advance the exceptional talents of pupils. The Scheme aims to support and nurture pupils with exceptional talents in four Categories of Talent: **Creative Arts, Music, Sports, and Digital Technology**, by providing them opportunities to perform and compete at an elite level at national and international contests.

While the majority of the awards will be considered for pupils of AISL Harrow Hong Kong, awards will also be extended to talented pupils at other AISL schools in mainland China and across Asia, aiming to foster collaboration and shared learning across the AISL network.

Pupils will first be nominated by the Head of School, and reviewed by a dedicated selection panel comprising AISL Harrow educators and external experts.

The AISL Talent Awardees, together with AISL Harrow Scholars will be recognised and celebrated at the annual signature Awards Gala Dinner.

# AISL TALENT STAGES

## 亚洲国际学校才艺平台

The continuous effort to strive for excellence and achieve one's full potential is the cornerstone of talent development which, reflects the ethos upheld by all AISL Harrow Schools as we believe that all-round education is something that can be gleaned through talent development.

To achieve this, AISL will initiate and purposefully 'build' different AISL Talents Stages upon which pupils will be encouraged to develop and hone their passions and skills, enhancing both personal growth and their contributions to society.

To enable pupils and members of the school community to be in conversation with top voices, we curate a series of masterclasses across diverse disciplines, such as the *Education Dialogue* sessions. The first *Education Dialogue* in September 2025 was privileged to feature Professor Larry Kramer, President and Vice-Chancellor of the London School of Economics and Political Science (LSE), and Professor Emma McCoy, Vice President and Pro-Vice-Chancellor (Education), explored advancements in artificial intelligence.

More Talent Stages are being organised to ignite passions and unleash potential across a wider spectrum of interest!

追求卓越，尽展潜能乃育才之本。AISL哈罗学校始终恪守此理念，深信全人教育可藉天赋发展而达至圆融。

为此AISL将构建多元才艺平台，引导学生精研所长、砥砺所能。借助奖金，不仅促进个人成长，更积极回馈社会。

为了让学生及学校社群成员有机会与顶尖思想领袖对话，我们精心策划了跨越多个学科的大师课系列，例如 *Education Dialogue* 讲座，邀集全球翘楚与师生对谈，激荡思想。2025年9月的首次教育对话有幸邀请到伦敦政治经济学院（LSE）校长兼副校长 Larry Kramer 教授，以及副校长（教育）Emma McCoy 教授，探讨AI发展和展望。

我们积极在才艺平台筹办更多活动，探索更广泛才艺领域，点燃热情，激发潜能！

# NETWORKS OF AISL INTERNATIONAL OLD HARROVIANS

## 亚洲国际学校哈罗全球校友

Alumni engagement forms a core part of the educational and operational framework between AISL and the Harrow School in the UK. We collaborate closely to share best practices, fostering a cohesive and enduring alumni community.

Since the establishment of the first AISL Harrow School in Bangkok in 1998, followed by schools in Beijing in 2005, Hong Kong in 2012, and Shanghai in 2016, alongside further expansions, AISL has cultivated a prestigious network of alumni and school families alike.

The AISL Foundation Office will support AISL Harrow Schools on communication, engagement and events with each AISL International Old Harrovian (AISL IOH), whether still in high education or on their professional journeys, we believe that each alumni has something to contribute to current cohorts.

We welcome all our alumni to share their experiences and insights in supporting the next generation of pupils, just as we encourage their active engagement with their alma mater, raising funds, providing mentorship and giving us their advice and expertise.

校友联系是 AISL 与英国哈罗公学教育及运营框架的核心。双方紧密协作和交流，旨在建立凝聚校友的社群。

自 1998 年首间 AISL 哈罗学校创立于泰国曼谷，我们相继于 2005 年、2012 年及 2016 年在北京、香港及上海设立校区，其后新校版图持续拓展。迄今，AISL 已构建起强大的校友及家庭网络。

亚洲国际学校基金办公室将支持 AISL 哈罗学校的校友通讯及活动事务。无论校友身处高等教育阶段或已跻身职场，我们深信其经验皆能为在校学生带来启发并作出贡献。

诚邀校友以亲身经历与真知灼见提携后辈，积极参与母校事务，包括筹款活动、师友同行计划等，分享卓见。

# COMMUNITY SERVICE

## 服务社会

Ultimately, education is not just about developing intellect and passing examinations. It is about whole person development, including empathy, care and concern for those in the community. In whatever small way they can, our pupils are encouraged to give back in service, most especially to those more vulnerable and less fortunate than themselves.

This is part of the AISL Harrow ethos and values, and it is something to which we are deeply committed. Service learning is nurturing pupils to be leaders who have been inculcated with kindness and selflessness.

Building on the efforts of AISL Harrow Schools in charity and community service, starting from the 2025-26 academic year, AISL designates the month of March as AISL Service Month, during which schools may choose one specific day to carry out community service activities of their choice. This annual event will provide a dedicated opportunity that we, together, engage in meaningful initiatives, and contributing positively to society.

Sustainability is central to our mission of serving communities. AISL and AISL Harrow Schools have developed Sustainability 2030 Initiatives, thoughtfully structured within a '5Cs' framework — Campus, Curriculum, Culture, Community, and Collaboration.

We stay open to partnerships with the local governments and charitable organisations. By joining hands with the AISL Foundation, these collaborations will not only amplify our efforts, but will provide priceless exposures and experiences to our pupils.

我们坚信，教育不仅在于知识传授与应试，更在于践行全人发展，培育同理心与关怀。我们勉励学生竭尽所能回馈社会，尤重扶助弱势群体。

此正 AISL 哈罗教育的精神和价值，亦是我們坚定不移的承诺，培养学生成为怀抱仁善与无私精神的未来社会栋梁。

AISL 哈罗学校向来热心慈善及社会服务，自 2025-26 学年起，AISL 将每年三月定为 AISL 服务月，各学校可于该月选择一天进行选定的社区服务，凝聚群力，同心善举。

可持续发展更是我们服务社会使命之核心。AISL 与旗下哈罗学校共同制定了可持续发展 2030 倡议，以「5C」架构 — 校园、课程、文化、社区、沟通，层层铺陈。

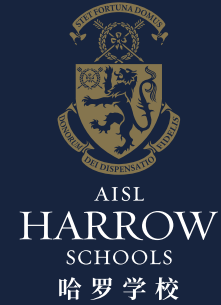

我们乐于与当地政府及慈善组织合作，共同推进社会公益，扩大善效，更为学生开启无价视野与历练。
